6 April 1956

MEMORANDUM FOR:

Deputy Director (Support)

SUBJECT:

IG Survey of CIA Briefing and

Debriefing Systems

l. As you will note, the attached survey has been circulated to DD/I, DD/S and DD/P, who have concurred in principle provided the regulation establishing procedures for "Briefing and Debriefing of US Government Officials" is subject to further study and coordination. It is, therefore, requested this be accomplished through the normal procedure employed in obtaining approval on Agency regulations and returned to me for further presentation to DDCI and DCI. General Cabell has requested that he furnished a copy of the proposed regulation in question at the time it is circulated for comment and/or concurrence.
